J.D. Chavez, Ph.D. Executive Director, Institutional Effectiveness South Suburban College

July 22, 2024

Dear Dr. Chavez,

I will be resigning from my position as Director of Institutional Research, a position I have held for sixteen years. My last day of employment at the college will be September 1, 2024.

I am proud of the many accomplishments achieved by this department over the years. I rebuilt the department from the ground up, established cooperative ties with all areas and departments, and successfully developed and implemented a data warehouse system, the first system of student outcomes assessment, and a course evaluation system which is still in use to date. I have confidence that I am leaving the department in a much stronger position.

While I look forward to transitioning to a new professional opportunity, I will miss the collegiality of the staff, administrators, and faculty here at the college. I know the institution is in good hands, and I will continue to work with you throughout the remaining weeks to ensure as smooth a transition as possible.

Sincerely,

Kein M. Riordan
