NON-CREDIT CLASS SCHEDULE

Corporate Training

Continuing, Corporate, & Community Education (C3)

C3 offers high-quality training to business and industry to help companies optimize their workforce. We provide traditional facilitator-led training, technology-based learning, or a combination of both to ensure customized training solutions that work!

Essential Skills

While technical skills are important, most often, employers cite essential skills as reasons for not hiring, not promoting, and even firing promising employees. With C3, expertise and an employer's investment in training can produce results.

- Time/Stress Management
- Train The Trainer
- Customer Service
- Communication
- Effective Teams
- Sales
- Leadership/Supervisor/Management
- Problem Solving

Human Resource Services

Human Resources departments handle many responsibilities. C3 has the resources you need to stay on top of essential HR functions.

- Performance Evaluations
- Diversity/Discrimination/Harassment
- Policy and Procedure Manuals
- Hiring and Onboarding

Manufacturing

The South Suburban region is a source of manufacturing jobs opportunities and career upgrades. C3 experts can train, retrain and remediate for employee skill improvement.

- Lean Solutions
- Maintenance
- Welding-Stick, MIG & TIG
- Safety Quality Forklift
- OSHA

Computer Training & Applications

C3 offers computer workshops that range from introductory through advanced, as well as highly specialized software applications.

- MS Office Applications
- QuickBooks
- Project Management
- Social Media

For more information, contact Gervaise Edwards: (708) 596-2000, Ext. 5723 or gedwards@ssc.edu.

Class Beginning and Ending Dates:

Credit & Workshops:

*January 21 through May 17, 2025,
unless otherwise indicated*

C3 Courses:

*January 21 through May 17, 2025,
unless otherwise indicated.*

Most non-credit classes require a minimum of five students, and some classes do have a maximum limit. All registration is on a first-come, first-served basis. We ask that students enroll at least one week before the start of class. By registering early, we can avoid disappointment by having to cancel classes.

<i>May 18</i>	<i>97th Annual Commencement Ceremony</i>

Free Tuition for Senior Citizens:

Any District 510 resident 62 years of age or older is eligible to take Continuing Education courses tuition-free. The student must pay all course-related fees. Available classroom space must exist, and tuition-paying students must constitute the minimum number of required students for the particular class. Senior citizens living outside District 510 boundaries must pay full tuition and fees.

Refund Policy:

NOTE: South Suburban College cannot authorize withdrawals based on information received by telephone.

The college will issue 100% refunds for any non-credit course due to insufficient enrollment.

- ◆ Refunds of tuition and fees will occur only after the student has completed a “drop” through their portal during designated “drop” periods.
- ◆ Attendance in any class and receipt of a grade is subject to official enrollment in and payment of the full tuition for the class.
- ◆ No registration changes are allowed after the 10th day of the term for the particular class.
- ◆ There will be no refunds after the class begins. Failure to attend class does not result in a refund.

Tell Us What You Think

You can contact our office by email. Tell us what you like about our class offerings, what you'd like to see, and how we can improve our services to you. Send your email to: C3@ssc.edu

South Suburban College serves the residents of District 510 which includes all or portions of these communities:

Blue Island • Burnham • Calumet City • Country Club Hills
Dixmoor • Dolton • East Hazel Crest • Harvey • Hazel Crest
Homewood • Lansing • Lynwood • Markham • Midlothian
Oak Forest • Phoenix • Posen • Riverdale • South Holland
Thornton • Tinley Park

Check out our web page at: www.ssc.edu

Payment & General Information

How to Pay

Payment can be made by using cash, check, Visa, Discover, MasterCard, or FACTS deferred payment plan. Proof of residency must be provided at the time of registration. As a payment alternative, the College offers the FACTS interest-free monthly payment plan. The cost to budget the payment plan is a \$25 per semester non-refundable FACTS enrollment fee. Payments are electronically processed on the 5th of each month and will continue until the balance is paid in full. Payments may be made from savings, checking or credit card accounts. For more information or to enroll in the FACTS payment plan, please go online to www.ssc.edu and follow the instructions.

**The South Suburban College Board of Trustees reserves the right to change/adjust tuition and fees. Please refer to the College Catalog for additional information regarding tuition and fees.*

ART E49 701 6:00-8:00p TH OFC-Café Fefee 01/30

ART E49 702 6:00-8:00p TH OFC-Café Fefee 02/6

ART E49 703 6:00-8:00p TH OFC-Café Fefee 03/6

ART E51—Graphic Design I

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for class s is 18.

This studio course focuses on the aesthetics, fundamental concepts, and visual communication skills necessary for graphic design and an introduction to the design and production of printed materials using raster & and vector image manipulation software, and manual illustration. Projects stress conceptual development, graphic form, aesthetic structure, typography, and visual organizational methods to develop solutions for visual communication problems. Requires the creation of tabloid, single, and multiple-page documents in black & and white and color. This will include integrating the Adobe Creative Suite software: Photoshop, InDesign, Illustrator, or other software as needed.

■ ART E51 701 9:00-11:45a TTH MA-4431 TBA 01/21-5/15

ART E54—Painting Studio

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for class s is 18.

An introduction to the technical and aesthetic problems of oil painting through the solution of various projects dealing with media, the visual elements, composition and design, subject matter, and expressive content with an emphasis on encouraging creative and imaginative thinking.

■ ART E54 701 9:00-11:45a TTH MA-4329 TBA 01/21-5/15

ART E71—Ceramics 1

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for a class is 18.

Introduction to ceramic clay-forming techniques with emphasis placed on wheel throwing and hand building combined with procedures on glazing, surface decorations, and clay and glaze theory.

■ ART E71 701 6:00-9:30p TTH MA-4348 TBA 02/18-5/15

ART E77—Introduction to Computer Art [Adobe Photoshop, Illustrator]

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

Introduction to a computer-based approach to visual image generation and manipulation. A variety of image software and hardware will be used to create images. Raster-based illustration (Adobe Illustrator) and vector base photoshop (Adobe Photoshop) software programs are used in this course along with peripheral devices: printers, scanners, cameras & tablets for input and output and manipulation of images.

■ ART E77 701 1:00-3:45p TTH MA-4431 TBA 01/21-5/15

ART E78—Ceramics 1

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

Introduction to ceramic clay-forming techniques with emphasis placed on wheel throwing and hand building combined with procedures on glazing, surface decorations, clay, and glaze theory.

■ ART E78 701 9:00-11:45a MW MA-4348 TBA 01/22-5/14

ART E79—Two-Dimension Design

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

An exploration of the elements, principles, and concepts of design applied to the two-dimensional surface; students will manually and digitally practice the elements used in various media and become visually aware of two-dimensional design's aesthetic possibilities for communication and expression.

☞ ART E79 702 Online TBA 01/21-5/16

ART E82—Computer Animation (Flash)

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

This course is a software-based course designed for students to transfer art and design work into animation. Students will prepare images in both vector and bitmap programs. The course covers the animation of images, time sequencing, and the addition of sound. Animations will be prepared for placement on a website and /or digital portfolio.

■ ART E82 701 1:00-3:45p MW MA-4431 01/22-05/14

ART E93—Art History Survey, Renaissance

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for class is 18.

A chronological survey of Western European art, beginning with the Renaissance and continuing through World War II.

☞ ART E93 701 Online TBA 01/21-5/16

ART E95—Computer Art II (Photoshop)

Tuition \$124 Fee \$119

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

Digital imaging focusing on the creative and aesthetic use of the computer in art and design. This course covers advanced methods and using Adobe Photoshop for a variety of digitizing methods for image production, color correction, digitized image manipulation, photographic image correction, and image enhancement. Images are prepared for output to print, web, and video.

■ ART E95 701 9:00-11:45a MW MA-4431 TBA 01/22-5/14

CLO E10 701 6:00-8:00p TH OFC-Café Fefee 02/13 -3/20

Computer-Aided Design

CAD E01—Introduction to CADD

Tuition \$129 Fee \$109

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

Students will analyze the field of Computer-Aided Design and Drafting (CADD). Discussions to include uses and advantages/disadvantages of CADD. The midterm project includes a pro/con debate or CADD reporting teams. Students are introduced to the AutoCAD 2013 package on PCS during the lab portion of the course and are also introduced to the World Wide Web. Students will complete a series of structured exercises, followed by a student project.

📅 CAD E01 701 5:00-6:40p TH MA-3343 TBA 01/23-5/15

BUS E61—Computer Security

Fee \$159

Computer virus removal and security concepts: this class will help you better understand how to track and remove viruses and malware from your computer. It will help you keep your computer safe and running problem-free. You will have the confidence not to get caught in a phishing scam. The computer security course focuses on security concepts at a personal level, not a corporate level, where security policies and procedures must be followed. You will learn how to lock down your system and create a recovery CD/FLASH DRIVE for backups of your system to external drives. Note: You will need to bring a laptop for this course so that you can fully participate.

BUS E61 701 12:30-2:30pm T OFC-5370 Evans 02/4- 4/1

Computer Information Sciences

CIS E88—Networking (Data Communication)

Fee \$695

Prerequisite: CIS E18 or equivalent

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

The Network+ certification ensures that the successful candidate has the important knowledge and skills necessary to manage, maintain, troubleshoot, install, operate and configure basic network infrastructure, describe networking technologies, basic design principles, and adhere to wiring standards, and use testing tools. Although not a prerequisite, it is recommended that CompTIA Network+ candidates have experience in network support or administration or adequate academic training, along with a CompTIA A+ certification. The Network+ certification is an internationally recognized validation of the technical knowledge required of foundation-level IT network practitioners. The CompTIA Network+ and A+ exams can be applied together toward both the Microsoft Certified Systems Administrator (MCSA) and Cisco CCNA Certified programs. Test vouchers are available.

📅 CIS E88 701 6:15-9:50p T MA-3349 TBA 01/21-5/13

Drama

DRM C02—Introduction to Voiceovers- (Getting Started in Voice Acting)

Fee \$49

Do you have a passion for voiceovers? Want to earn income using your talents from the comfort of your home? Explore the fun, rewarding possibilities of the growing remote voiceover industry! Discover the current trends in the industry and how easy and affordable it can be to learn, set up, and work from home. You'll learn about different types of voiceovers and the tools you'll need to find success. Your instructor, a professional voice actor from Voices for All, will take notes as you read a real script in this one-on-one video chat setting, and offer some coaching to improve your delivery. You'll receive a professional voiceover evaluation later in a follow-up call. One-time, 90-minute, introductory class. Learn more at [http:// www.voicesforall.com/ooo](http://www.voicesforall.com/ooo). 18 and over. Upon registration, you will be contacted by VFA to schedule your class for a day and time of your convenience.

Music Programs

MUS E09—Introduction Class Piano I

Tuition \$58 Fee \$54

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

This course is designed for the adult beginner who wishes to learn the piano by playing chords quickly with both hands, using familiar and tuneful songs. Progress in learning is proportional to daily practice, so having a piano or keyboard at home is helpful. The course aims to enable the student to play easy pop and country music at the first reading.

☞ MUS E09 70112:00-12:50p MW MA-1111 Chou 01/22-5/14

MUS E18—South Suburban College Voices

Tuition \$15 Fee \$15

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

A symphonic chorus for experienced singers in the Chicago south suburban Calumet area to perform master choral works and classical selections. Open to experienced singers of the community upon consultation. Call (708) 596-2000, ext. 2316 for more information.

MUS E94—Music Theory I

Tuition \$58 Fee \$54

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

First music theory course for all music majors in the four-semester sequence. It covers melodic axioms and diatonic harmonic idioms of the common-practice period music, harmonic series, scale patterns, harmonic analysis of tonal music, principles of binary and ternary forms, the realization of the Figured Bass numerals, and melodic harmonization in piano and homophonic textures.

■ MUS E94 701 9:00-10:40a MW MA-1232 Chou 02/19-5/14

MUS E95—Ear Training and Sight Reading I

Tuition is \$58 Fee \$54

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

First aural skills course for all music majors in the four-semester sequence. This course is also known as an applied music theory course, in which students apply what they learn in music theory to ear training and sight singing. It consists of two essential parts: singing and writing. The first portion contains different kinds of singing exercises that help students improve their proficiency in tonal retention, visual recognition and tonal reference, and vertical perception. The drills include tonicization patterns, intervals, tonal indexing, memorized melodies, dyadic and harmonic progression. Techniques of sight-singing will also be taught. The second part addresses the speedwriting of memorized melodies and the dictation of interval, rhythm, melody, and harmony.

■ MUS E95 701 10:30-11:20a MW MA-1232 Chou 02/19-5/14

MUS-E98—Orchestra

Tuition \$15 Fee \$15

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

Prerequisite: Audition, invitation, or consent of the instructor
Open to the experienced community and student string performers. Repertoire will be drawn from traditional and contemporary composers.

■ MUS E98 701 6:00-8:50p M MA-1137 Krizan 01/27-5/12

MUS C28—MUS E67—Non-Credit Private Applied Music Lessons for Adults & Children

Fee \$218

If one-on-one instruction is more than your style, you may be interested in enrolling in one of our many private applied music lessons. The SSC Music Department provides non-credit voice, piano, organ, woodwinds, brass, and percussion lessons. Each lesson is thirty minutes long per week.

For more information about scheduling music lessons, please call 596-2000, ext. 2316. Instructors will contact registered students by telephone or email to schedule lessons.

**SOUTH
SUBURBAN
COLLEGE**
Department of
CONTINUING, CORPORATE &
COMMUNITY EDUCATION (C3)

The college is now offering five-week courses. The materials covered in the sessions do not repeat but enhance your child's learning method of reviewing and introducing new course materials. All of our instructors are certified teachers who are looking forward to adding to your child's development.

All classes require a minimum of five students and some classes do have a maximum limit. All registration is on a "first-come, first, serve" basis. We ask that introducing students enroll at least one week before the start of class.

PARENT ALERT!!!

Parents or Guardians are expected to walk their children to the classroom and to meet them there five minutes before the end of the class. Children are not to walk the campus unaccompanied by an adult. Friday, July 4, 2025, the campus will be closed for the holiday.

Academic Enrichment

KFK C44—Reading Refresher

Fee \$89

This course is designed for students reading one to two years below grade level. Students will explore various reading strategies to improve vocabulary and comprehension. This will include understanding story themes, main ideas, and summarization skills. Vocabulary will consist of looking up and defining words, creating sentences, paragraphs or short stories using the words. Emphasis will be on building critical thinking skills by the use of worksheets, oral discussions, and written assignments. Students will work in groups with others performing at about the same grade level.

KFK C44 701	9:00-10:30a	MW	MA-3240	Grade: 2-3	6/30-7/30

Fee \$359 (4th - 5th grade)

This summer enrichment program will teach students to learn about organized opportunities and engage in working individually. Ideal Labs are designed to offer professional development that is close to practice and fosters collaborative communities in which students continue to learn from one another and develop shared practices. The students will spend time collaborating on daily design in the idea lab where they will be experimenting and breaking apart what they have built along with using reading, writing & math to solve the challenges of the design.

KFK C75 702 9:00-1:00p M-TH MA-TBA 6/30-7/31

KFK C75—Aged-Up Enrichment

Fee \$359 (6th - 8th grade)

This summer enrichment program will introduce them to HTML and CSS coding languages to build a basic website and teach them how to build their own video game. This level will build their skills every day and inspire them well using the sophisticated tools to create an amazing project with character. The students will spend part of every day building creative confidence as they use reading, writing & math to turn a personal vision into a polished Steam project to take home.
